

FOR	AGAINST	No Comment	Against site	High Cost	Detrimental to village	Vsits by youths	Against voting criteria	Enhance community/facilities	In favour of site	Long overdue	Prefer on green	Comments
	1	1										
	1					1						We have sufficient natural playground
1								1	1			
1							1		1			
1								1		1		Much needed and overdue
	1		1									In favour if not by the Parrot Pub
1		1							1			
1								1				Excited about a village playground
1									1			Only if site is on village hall side of Horsham Rd
1										1		Wonderful idea long overdue
1									1			Perfect area
1											1	Rather playground were on Forest Green itself
1							1					My children would enjoy it for years to come
1		1										
1								1				Necessary because much younger population
1								1				Very welcome addition to the village
1								1		1		Wonderful opportunity for parents/grandparents and children to meet
1								1	1			Currently no central area for children to play safely and exercise. Welcome addition to village, would not impact on the look and feel of the settlement
1								1				Village currently has no facilities for children would be most welcome
1								1				Single with no children, think this is needed
	1			1	1							Detrimental to village, money could be used for all villages
1								1	1	1		High time there was village playground, good location
1		1										
	1	1										
	1		1									
	1		1		1							Too close to road. Not anywhere as spoils hamlet. Pub only place according to biodiversity report.
1									1			In keeping with area
1							1					Undemocratic favouring single households
1												Important for exercise particularly for less abled children
	1											Previous playground little used, sufficient play areason green and woodland
1												The site would be improved by a 30 mph speed limit
	1											Benefits Parrot customers the most
1		1										
	1		1	1	1	1						Safety (road) safeguarding, unsightly, maintenance underestimated, suggested village hall garden
1								1		1		Long overdue will be much appreciated and utilised amenity for the village.
1												Good plan
1		1										
1												Would help the young families in the village. Few other facilities
	1	1										
	1		1	1								Against site as Parrot customers can use. Litter, cigarette butts, glass and vomit. Maintenance cost increase
	1		1		1							Against site

FOR	AGAINST	No Comment	Against site	High Cost	Detrimental to village	Vsits by youths	Against voting criteria	Enhance community/ facilities	In favour of site	Long overdue	Prefer on green	Comments
	1				1							Would be abused by visitors to Parrot
	1	1										
	1											Land war memorial
1								1				Great idea valuable asset
	1			1								Parking by Parrot a problem. Money better spent elsewhere
	1		1									Generally in favour but traffic by Parrot a problem anitsocial behavior around pub. Too conspicuous.
	1			1								Maintenance cost, too close to road, good play areas nearby, close to pub safety issues. How many children will use.
1												Lovely to have playground to walk to.
1								1				Strongly support
	1											Can only be in front of Parrot but will be seen as an attraction associated with pub. Would change character of green, highly unsympathetic. Why close to a car park.
1								1				Physical and social benefits
	1											In favour but against site due to child safety too close to road, stranger danger, public safety, will attract people from elsewhere who will park on road. Alternative Village Hall.
1		1	1									
	1											Wrong place by pub, always busy no pavements, walking on road is dangerous. Alcohol induced vandalism. Potential litigation due to defective equipment.
1												Undemocratic, 3 people live at address, I would like to know who to complain to.
	1		1		1							Will result in more visitors to pub, better in pub garden. Not needed, will spoil natural beauty of village.
	1	1										
	1	1										
	1				1							Spoil beautiful setting of Forest Green, other playgrounds are accessible.
	1	1										
	1				1							Not in favour of any damage to green
	1				1							Strongly against any visual damage to green.
1		1										
1												Important for early human development.
	1	1										
1												Lovely idea why did it not go straight to approval
	1											Concern over maintenance, cost and antisocial behavior. Encourage use of countryside.
1												
1		1										
1												Sympathic design and natural materials.
1		1										
	1		1		1							Impact on environment inadequate parking
<b>41</b>	<b>33</b>	<b>17</b>	<b>12</b>	<b>5</b>	<b>10</b>	<b>2</b>	<b>4</b>	<b>14</b>	<b>8</b>	<b>5</b>	<b>1</b>	

**FG Playground Survey Analytics**

No. surveys distributed ca.	180		
Surveys returned	74	41.11%	
For	41	55.41%	of those returned
Against	33	44.59%	of those returned

<b>Summary</b>			
Only 41% of households were sufficiently engaged to return an opinion			
Of those returned 55% were in favour of the playground proposal			
2 (3%) were For but against location			
23% questioned location (both those who voted For and Against)			
10 (14%) were Against mainly due to location			

Comments (not necessarily exclusive)	Raised by	
Sufficient play elsewhere in village	5	wild play
Much needed/long overdue	19	no negatives
Location other than Parrot	11	Litter, parking, safety, anitocial behaviour
Yes if by village hall	2	
Yes if on village green	1	
Good meeting place for parents/grandparents/children	1	
Detrimental to village	5	
Exercise area for less-abled	1	
Safer if 30mph introduced	1	
Benefits Parrot	1	
High maintenance cost	3	
Green is a war memorial	1	
Money better spent elsewhere	2	
Should be in pub garden	1	APC could not be involved
